## Cross-integration (vertical) challenges

## Three research perspectives

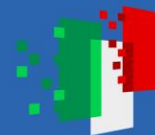

- (1) **Micro-level** (individuals)
- (2) **Meso-level** (e.g., households, care providers, volunteering organizations, and firms)
- (3) **Macro-level** (society, institutions)

## Three life course principles

- (1) Cumulative contingencies** (previous experiences shape a person's current status)
- (2) Linked lives** (events in one domain of a person's life influence all of their other domains)
- (3) Historical time period and Context** (the period and the context in which individuals live moderates the timing and sequencing of key life course transitions)

## Cast

- A world-class team of **350** experts from different scientific areas
- ~**50%** female researchers (~**40%** in leadership positions)
- ~**20%** of young researchers
- ~**300** new researchers hired (RTD-A, post-doc, PhD students)

## (Trans-)Spoke management and activities

- **Data Management Board**
- **Innovation and Technology Transfer Board**
- **Dissemination Board**
- **Learning, Education and Active Ageing Board**

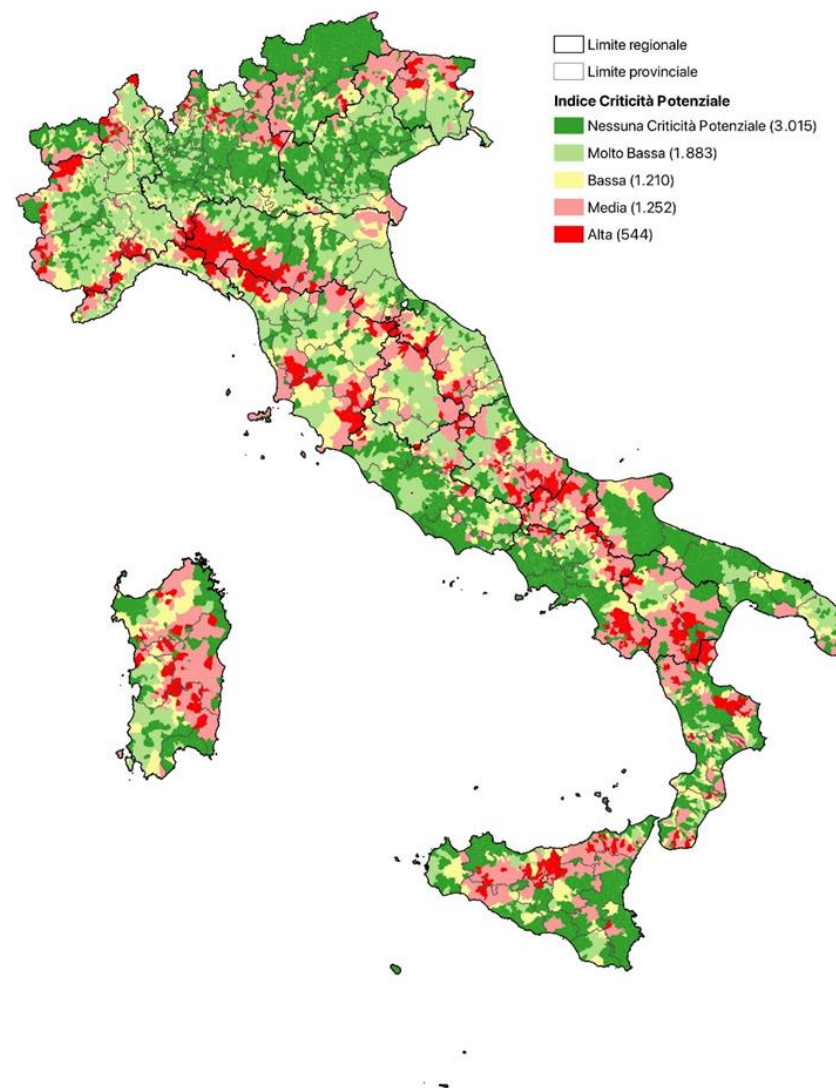

## Stakeholders

- **National bodies.** **INAPP** (the National Institute for the Analysis of Public Policies); **ISS** (the Italian National Institute of Health); **CNEL** (the National Council for Economics and Labour); **ANCI** (Associazione Nazionale Comuni Italiani); ...

## Beyond Age-It

### National PhD Program in Life Course Research

## Population Europe

- Organise an AGE-IT European Stakeholder Seminar in Brussels (e.g. at the European Parliament or in the Permanent Representation of Italy to the EU) in 2025, where the first results of the AGE-IT project are presented and discussed with a selected group of international experts from science, politics, societal organisations and business;
- Summarize the results of the AGE-IT European Stakeholder Seminar into a Discussion Paper;
- Organise an online High-level Policy Expert Meeting in 2024, 2025 and 2026 with a group of selected experts from science, politics, societal organisations and business on policy-relevant topics relevant to the AGE-IT agenda;
- Summarise the results of each of the High-level Policy Expert Meetings into a policy briefing;
- Promote these activities on social media to policy audiences;
